NOTES

1. The issuance of this request for health care does not imply recognition by the Mutual of the concurrence of an accident at work.
2. The presentation of this document in Medical Services other than those of MUTUA BALEAR does not imply that this Mutua must necessarily assume the cost of the care provided.
3. In the event that the Mutual qualifies the incident as a work accident, in accordance with current legal provisions, the company must:
 - a) If it causes medical leave: process the corresponding work accident report, through the Delt@ system (within five days following the date of issuance of the medical leave or within 24 hours in the event of a serious, very serious or death.)
 - b) If it does not cause medical leave: include this process in the list of work accidents without medical leave (Delt@) for the month following the assistance.
